The opportunity

MyMosa launched in 2011 and built historical placement across major retail and hospitality accounts. The 2027 relaunch begins in Houston with distributor-led wholesale and a measured account-acquisition plan.

Base Case launch drivers

Opening accounts	25
New accounts each month	10
Velocity	1 case / account / week
Wholesale price	\$3.00 / can
Gross-to-net reserve	5%

2027 opening production

30,360 total cans across four pallets
29,752 saleable cans after samples
50% Orange / 25% Pineapple / 25% Peach
