FOUR FLAVORS. ONE UNFORGETTABLE RITUAL.

—
CRAFTED FOR
GOOD TIMES
EST. 2011

THE BEGINNING

2011

LONG BEFORE THE RTD BOOM.

Long before canned cocktails filled the shelves.

We saw something different.

We believed the world deserved a better mimosa—
real ingredients, premium wine, and the perfect
balance of fruit and bubbles.

When people said it was crazy to bottle a mimosa,
we did it anyway.

WE WERE EARLY. WE WERE PASSIONATE.
AND WE WERE RIGHT.

THE IDEA

A better way to
enjoy the world's
favorite brunch
cocktail.

THE RISK

Before the category.
Before the trend.
Before it made
sense to most.

THE FORMULA

Real wine.
Real fruit juice.
Nothing artificial.
Never compromised.

THE MISSION

Bring the mimosa
ritual to more
moments, more
places, more people.

THE RESULT

that helped shape
the RTD category
we see today.

FOUNDER'S STORY

BUILT FROM VISION. PROVEN THROUGH TIME.

In 2011, **Ernest Yearby** saw what others had not yet seen: the mimosa could become more than a brunch cocktail.

It could become a premium ready-to-drink experience built with *real wine*, *real fruit juice*, and *real cultural timing*.

Long before canned cocktails filled shelves, MyMosa was already creating the category, entering stores, building demand, and proving that consumers wanted *a better way to celebrate*.

THIS IS NOT A STARTUP STORY.
THIS IS A RETURN STORY.

“
WE WERE EARLY.
WE WERE DIFFERENT.
AND WE WERE RIGHT.”
